

CG Act and Rules Issues  
Blackboard from 1/28/2014 Workgroup Meeting

Seasonal CGs

- Address longer stay times
- Docks
- Showers
- Fish cleaning stations
- Florida rooms/decks
- Sheds

Permanent Structures

- Sheds
- Additional "living" units

Inspection of < 10,000 gall onsite wastewater systems

- Maintenance
- Testing

Land Use

- Zoning
- Taxes
- Blurred line with manufactured housing communities
- 1980's option to choose MH community vs RV park

Convert Policy and Procedures to Rules and Statutes

Campground Hosts

- "Work Campers"

Public Health & Safety

- Water systems
- Wastewater
- Fire / ambulance access

Family Bathrooms

- Relationship to plumbing fixture count
- Unisex
- Revisit fixture schedule

Rule 11 Sewage Disposal

- Clarify if need to upgrade or replace

Compliance with State Electrical Code

- National code requires a minimum of 20% of sites to have 50 amp service

Seasonal - address longer stay times  
docks - florida rooms/decks  
showers  
fish cleaning sta., sheds

### Permanent Structures

sheds  
add'l "living" units

\* inspection of <10,000 gal onsite wastewater  
systems; testing;

Land Use -  
zoning  
types

Blurred line w/ MHC's.

1990's - option to choose  
MH vs RV

Convert Policy/Procedure to Rule/Ordinance

Campground Hosts  
"Work Campers"

### Public Health + Safety

- water rupture
- wastewater
- fire/ambulance access

Family Bathrooms - relationship to  
plumbing fixture counts  
unit-sep

Revisit future schedule

Rule #11 - sewage disposal  
clarify if need to upgrade or replace ??

Compliance w/ state electric code  
nat'l code  $\Rightarrow$  # of 50 AMP service  
min. 20% of sites
